Available:	ready for shipping
Price:	4.783,80 € (nett:4.020,00 €)

Product description

This set of 20-inch "Turbo S" winter wheels with central locking is specially designed for the Porsche 911 model 991.1 GT3 and offers an excellent fit and performance in winter conditions. The set includes two front wheels in size 9J x 20 ET51 and two rear wheels in size 11J x 20 ET59. These wheels feature an elegant black silk matt finish that is not only visually appealing but also robust enough to withstand the challenges of winter road conditions. Fitted with brand new Pirelli winter tyres, this wheel set offers optimum traction and safety in cold temperatures. The tyre sizes are 245/35 R20 at the front and 295/30 R20 at the rear, ensuring balanced driving dynamics and excellent handling. In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors that constantly monitor the pressure and temperature of the tyres to maximise safety and efficiency.

The OEM number for this wheel set is 99104460080JE1, which confirms its authenticity and quality as an original Porsche part. The condition of the wheels is described as very good and undamaged, making them an excellent choice for Porsche owners who do not want to compromise on quality and performance.

This set of winter wheels is an exclusive addition to your Porsche 911 991.1 GT3, not only enhancing its aesthetics but also significantly increasing driving safety during the winter months.
