Product description

This high-quality brake disc is specially designed for the front axle of the Porsche 911 models 992 GT3 and GT3RS. It is located on the left side of the vehicle and is an indispensable element for the optimal braking performance of your sports car. The brake disc is an original Porsche spare part, which guarantees a perfect fit and performance.

The OEM numbers for this brake disc are 9GT615301L, 9GT615301G and 9GT615301B, confirming its authenticity and compatibility with the corresponding vehicle models. As a new, unused and undamaged product, it offers the safety and reliability you can expect from Porsche genuine parts.

Installing this brake disc ensures that your vehicle delivers the best possible braking response and efficiency, which is particularly important given the high speeds and demanding driving conditions that GT3 and GT3RS models are often subjected to. Take the opportunity to maximise the performance and safety of your Porsche 911 992 GT3 or GT3RS with this high-quality brake disc.
