Product description

This rear bonnet for the Porsche 911 model 991 GT3 RS is an original replacement part with the OEM number 99151222792. It is a used part, but it is in very good condition and undamaged. This specific replacement part does not include the rear wing or spoiler, making it ideal for those looking for a replacement or exchange option for their vehicle without the additional aerodynamic component.

As an original Porsche part, this rear bonnet guarantees a perfect fit and ensures the high quality and performance expected from Porsche replacement parts. This item is specifically designed for the Porsche 911 991 series, in particular the GT3 RS version, ensuring seamless integration and functionality.

The installation of this rear lid should ideally be carried out by a specialist to ensure that all connections are made correctly and that the functionality of the vehicle is not impaired. This spare part is an excellent choice for owners of a Porsche 911 991 GT3 RS who value authenticity and quality.
