Available:	shipping in 3-7 days* <small>*provided the product is available at the manufacturer</small>

Price: **2.212,16 €**
(nett:1.858,96 €)

Product description

The joint flange for the Porsche 911 model 991, specifically for the GT3 RS and GT3 versions of the 991.1 and 991.2 series, is an essential component for the 7-speed PDK transmission. This high-quality replacement part has the OEM number 9G133220995 and is an original Porsche product, which guarantees a perfect fit and performance. As a new, unused and undamaged part, the joint flange offers a reliable and durable solution for restoring or maintaining the optimal function of your vehicle's drive system. The long design of this flange is specifically tailored to the requirements and specifications of GT3 and GT3RS models with 7-speed PDK to ensure smooth power transmission and maximum efficiency.

This part is essential for maintaining drivetrain integrity and helps to maintain the exceptional performance and precise handling that Porsche drivers expect. Using genuine Porsche parts not only ensures compatibility and safety, but also helps to maintain the value of your vehicle.
