Product description

This front suspension control arm, specially designed for the Porsche 911 model 992 GT3, is an essential component for the lower left side of the front axle. The product is complete and comes in very good, undamaged condition, making it an excellent choice for replacement or upgrade. As an original Porsche part, this control arm guarantees optimal fit and performance that meet Porsche's high standards. The OEM number for this specific control arm is 9GT407155B, which makes it easy to find and verify compatibility with your Porsche 911 992 GT3. Using original parts like this ensures that the integrity of your vehicle is maintained and that the performance and safety of your vehicle are not compromised. This used part has been carefully inspected and is in excellent condition, providing a cost-effective solution for maintaining your vehicle without compromising on quality. Ideal for owners who prefer original parts and value condition and functionality.
