### Product description

This high-quality rear bumper has been specially developed for the Porsche 911 model 991.2 GT3RS. It bears the OEM numbers 991505291C2 and 99150529185, which confirm its authenticity and compliance with Porsche's strict quality standards. As an original Porsche part, this bumper guarantees a perfect fit and is ideal for replacement or as an upgrade for your vehicle. The bumper is new, unused and undamaged, ensuring that it can be installed immediately after unpacking. The robust construction not only protects the vehicle body, but also improves the aerodynamic properties of your vehicle, which is particularly advantageous at higher speeds. Installation can be carried out directly at the designated mounting points on the vehicle, making replacement quick and easy. This original Porsche part is not only a functional necessity, but also a visual enhancement that emphasises the sporty appearance of your Porsche 911 991.2 GT3RS. In summary, the rear bumper for the Porsche 911 991.2 GT3RS is a first-class choice for vehicle owners who value quality, performance and originality.
