## Product description

This LED headlight for the right side has been specially developed for the Porsche 911 model 992.2 (facelift, from 2024) and offers an excellent solution for replacing or updating the vehicle lighting. Confirmed with OEM numbers 992941018AE and 992941018AC, this headlight guarantees perfect compatibility and authenticity as an original Porsche part. The use of modern LED technology in this headlight ensures superior light output and improved visibility at night and in difficult weather conditions. LEDs are known for their efficiency and longevity, making them an economical choice compared to traditional incandescent bulbs. Although this headlight is used, it is in very good condition and undamaged, making it an excellent choice for those who prefer original parts without compromising on quality and performance. It fits perfectly in the Porsche 911 model 992.2 and helps to maintain the aesthetics and functionality of the vehicle. This right LED headlight is ideal for Porsche owners who value safety, quality and originality. It offers a reliable and effective lighting solution that significantly improves driving safety.
