Product description

Designed for anyone who appreciates performance and style in everyday life: inspired by the Porsche 911 GT3 S/C, the collection combines performance and precision with motorsport DNA. The key fob keeps keys, ID and other essentials together and within easy reach.

Functional and distinctive in Porsche style:

Iconic design inspired by the door pull loop of the new Porsche 911 GT3 S/C.

Lightweight and compact.

Robust construction.

Dimensions

140 mm x 25 mm x 5 mm
