## Product description

The roll cage / roll bar for the Porsche Cayman GT4 Clubsport, suitable for models 981 GT4 and 982 GT4/GT4RS, is an essential safety feature for every racing enthusiast. This high-quality original Porsche part, with OEM number 98158010380, not only guarantees a perfect fit and the highest quality, but also significantly increases vehicle safety during racing events or sporty driving.

The roll cage is specially designed for the Porsche Cayman 981C and Porsche 718 Cayman 982 models and offers maximum protection in the event of a rollover thanks to its robust construction made from specially manufactured materials. The installation of the roll cage helps to reinforce the structure of the vehicle and protect the occupants by reducing the deformation of the passenger compartment in the event of an accident.

This new, unused and undamaged part meets Porsche's strict quality standards and, as an original part, guarantees durability and reliability. The roll cage is not only a critical safety feature, but also emphasises the sporty appearance of your Porsche Cayman GT4.

Invest in your safety and that of your vehicle with this professional roll cage, which has been specially developed for use in motorsport. Ideal for racing enthusiasts who do not want to compromise on safety.
