Product description

This front bumper, part of the Turbo Sport Design Package, is specially designed for the Porsche 911 model 992. It includes an integrated front spoiler and splitter, which not only enhance the aesthetic appearance of the vehicle but also increase its aerodynamic efficiency. The bumper has the OEM number 992807785A G2X and is an original Porsche part, which guarantees a high level of fit and quality. The product is in very good, undamaged condition and has been classified as used. It is an authentic Porsche original part, which additionally ensures the longevity and value retention of the spare part. Ideal for owners of a Porsche 911 model 992 who want to enhance the appearance of their vehicle or replace a damaged bumper without compromising on quality or fit.
