## Product description

This original left xenon headlight for the Porsche 911 model 991.1 (without bulb and control unit) is an excellent choice for restoring the original lighting capability of your vehicle. This spare part is used but in very good and undamaged condition, making it a cost-effective alternative to a new part.

The OEM numbers for this headlight are 99163122108, 99163122107, 99163122106, 99163122105, 99163122104, 99163122103, and 99163122102, ensuring compatibility with your Porsche 911 and making it easy to find the right part. As this is an original Porsche part, you can rely on the high quality and precision fit that has been specially developed for the Porsche 911 model 991. This not only guarantees optimal function and performance, but also seamless integration into your vehicle's existing system. This headlight is an ideal solution for anyone who values authenticity and efficiency while seeking a cost-effective repair or maintenance option for their Porsche 911.
