Product description

This stylish Porsche tissue box is specially designed for use in the car and fits perfectly into the cup holder. The elegant design features clean lines, chic red contrast stitching and an embossed Porsche crest on the body, making it both functional and visually appealing. The box is made of high-quality PU leather, which is known for its durability and ease of care. The outer shell of the box is made of 100% leather, while the plastic housing is made of 100% acrylonitrile butadiene styrene, ensuring a robust and durable construction. The dimensions of the tissue box are 66 mm x 67 mm x 175 mm, which is a compact and practical size for most vehicle cup holders. Please note that the tissues are not included in the scope of delivery. This tissue box is the perfect addition to any vehicle, ensuring that tissues are always within reach while adding a touch of Porsche design.
